WHAT RF'S CARE HOMES SERVICE OFFERS YOU

Care Homes offer self contained accommodation for people aged 18 years +, providing 24 hour support in a safe, recovery focused environment for individuals with mental health problems. RF Care Homes are regulated by the Care Quality Commission (CQC), and residents are encouraged to achieve their social, emotional and educational goals and aspirations through individually assessed support planning.

The Eligibility Criteria and Referrals process information will be provided by the individual Service you contact.

In all RF's Care Homes Services, our aim is to encourage each individual's sense of security, purpose and fulfilment, and develop the skills necessary to manage their mental health problems. We support progress to more independent living.
