

GET INVOLVED

HELP US IMPROVE
WHAT WE DO

Putting you at the heart of our organisation

There's lots of ways you can get involved with Richmond Fellowship to help us improve the services we provide and to make the right strategic decisions about how we take our organisation forward:

- Be on our interview panels to recruit members of staff
- Take part in one of our many quality reviews to improve our services
- Attend our national service user forum and help shape the future direction of our organisation
- Use your experience to help us develop new services
- Join in with your local meetings and have a say in how your service is run.

How to get involved

We'll provide you with support so that you're able to be fully involved in any of the activities above. **To find out more speak to your case worker.**
