We would like to thank you for your ongoing patience and support during the recent interruptions in service.

We recognise that this is a particularly difficult time of year for some people and want to ensure that support is available when you need it. We have worked with staff members and partners to confirm that the Newport Safe Haven will be open during the festive period to provide support. We will be open for the hours indicated in green above for both calls and a drop-in service. On Tuesday 1 and Thursday 3 a limited service may be running and we would encourage calling the Safe Haven first on the number below.

If you experience a mental health crisis outside of our opening hours, please contact the NHS Isle of Wight Trust Mental Health Crisis Line for help.
