

## ABOUT US

---

**Richmond Fellowship** is a national mental health charity making recovery reality for thousands of people every year. We provide a wide range of services including residential support, supported housing, employment services, community support and crisis support.

Richmond Fellowship is now part of **Recovery Focus**, a group of charities with the shared aim to inspire individual recovery together.

# HELP TO FIND OR STAY IN WORK

## SURREY EMPLOYMENT ADVISORS IN IAPT

**RICHMOND  
FELLOWSHIP**   
**MAKING RECOVERY REALITY**

## HOW WE CAN HELP

---

We can support people experiencing mental ill health on a one-to-one basis, providing confidential, impartial advice and guidance to help you to move forward.

If you're looking for support to gain employment, we offer a careers advice and guidance service that can help you with job applications, CV preparation, interview practice and support in identifying suitable job opportunities and throughout the job application process.

If you're looking for support to retain your current role, we can work with you and, if you consent, your employer, to make plans and find solutions that enable you to carry on in work or return to work if you have been off work due to ill health.

## WHO WE CAN HELP

---

Our service is available to anyone over the age of 18 who has mental ill health, including stress, anxiety and depression; is receiving support from an IAPT service, and is looking to start or retain employment.

Please speak to your IAPT Therapist to learn about referral process.

## SUPPORT WE OFFER

---

If you're worried about the impact your mental ill health is having on your job or on your search for work, then we can provide help through the support of our Specialist Employment Advisors.

If you feel you need support in the following areas, we can help you to succeed.

**CV design / Job searching / Interview techniques / In-work advice and guidance / Employer Liaison Support / and much more**

## WHAT WE ACHIEVE

---

**90%** of people using our employment services moved into employment, training or further education or successfully retained their job.

**96%** of people we support said they would recommend us to friends and family

**96%** of the people we support said we'd helped to improve the quality of their life.

### At the heart of everything we do lies:

**Hope:** the belief that recovery is possible for every individual

**Respect:** valuing differences and all contributions

**Enabling:** giving people encouragement and support to achieve their goals

**Inclusion:** the belief that everyone has a right to participate fully in society
